## KRIS SMITH, PGA GOLF PROFESSIONAL

# GROWING THE GAME

### Philosophy

Our aim is to provide a safe, structured environment in which children can learn and respect the game of golf. We strive to teach good sportsmanship, etiquette, and the rules of golf to all ages. We hope to instill a love of the game and an appreciation for being outdoors and enjoying the fresh air and sunshine of our Minnesota summers.

### Equipment

Juniors will need their own golf clubs. A lightweight bag filled with at least one wood, an iron, a wedge and a putter is needed. Tennis shoes or sandals with straps are preferred. Please see Mark Holm if you need to purchase a junior set of clubs.

### Information

For more information, please call or text Margery Smith at 561-707-2339 or email me at [margerysmith@hotmail.com](mailto:margerysmith@hotmail.com).

### FORE!

We are excited for another fun summer at Lakeview Golf Course! Whether your child is just starting to take up the game or has played multiples seasons and aspires to play competitive golf, we feel like we have programs to fit all levels. We love to see juniors so excited about golf that they organize games outside of our instruction. We also love to see families coming out in the late afternoons, often with 3 generations, and playing a round of golf. What a wonderful family activity!

If you are considering a family or junior membership this year, our **early bird pricing ends on April 30!** Pick up or fill out a membership form at Lakeview G.C. and commit to a summer of golf!

Our Lakeview Junior Golf program would not be successful without the support of the Detroit Lakes Country Club Board of Directors as well as the Growth of the Game Foundation of DL. Both groups encourage our attempt at growing the game and making golf accessible to all ages. We are always looking for events and activities that will help in this endeavor.

This year, in addition to our Growth of the Game annual scramble and clinic, Minnesota Jr PGA tournaments at both courses, our Junior Club Championship as well as our Lakeview Jr Classic, we are excited that the USKIDS tournaments will be hosting an event at Detroit Country Club on Sunday, June 19. It will be one of a series of tournaments run on Sundays at courses throughout western Minnesota. It is a great opportunity for both boys and girls of all ages.

The Minnesota Junior PGA is a great resource for tournaments, Drive, Chip & Putt links, Youth Putting Challenge and other fun events! ([minnesotajuniorgolf.com](http://minnesotajuniorgolf.com))

**Mini Junior Clinic**

**Age 4-6 (Beginners)**

**Junior Golf Camps (3 day camps)**

The 2 hour sessions include instruction on the driving range, putting green and chipping area. Juniors are grouped by age and ability and will spend a portion of each session playing from 1-5 holes of golf on shortened holes at Lakeview, putting their instruction into practice. Juniors need to be able to carry their own equipment for a few holes of golf.

- Both sessions will be limited to 30 students.

Instruction in the long game, chipping and putting will be followed by a few holes of golf on the shortened holes at Lakeview Golf Course. As in year’s past, included in the fee will be a free entry into either a Wee Tee Tournament (ages 5-7) on Wednesday, August 10 or the Lakeview Junior Classic (ages 8-14) on Monday and Tuesday, August 8 & 9. The girls should be able to carry their own set of clubs when they go out to play on the course.

Younger, intermediate golfers will play on shortened holes while the more advanced players will play from the forward tees.
